

FAMILY BASIC

AVAILABLE AS AN OPEN AWNING OR A CLOSE-FITTING SEMI-CASSETTE

*“... All good things come
from above with a valance.”*

The **FAMILY BASIC** series awnings are customizable and user-friendly shading products that can integrate beautifully with any residential or commercial applications.

SEMI - CASSETTE

A height of just 200mm and a depth of 200mm (when the cassette is closed), the **FAMILY BASIC** boasts a minimal design. The Semi Cassette Type is closed on three sides which protect the awning fabric and mechanism from dust, rain and the elements when the awning is retracted.

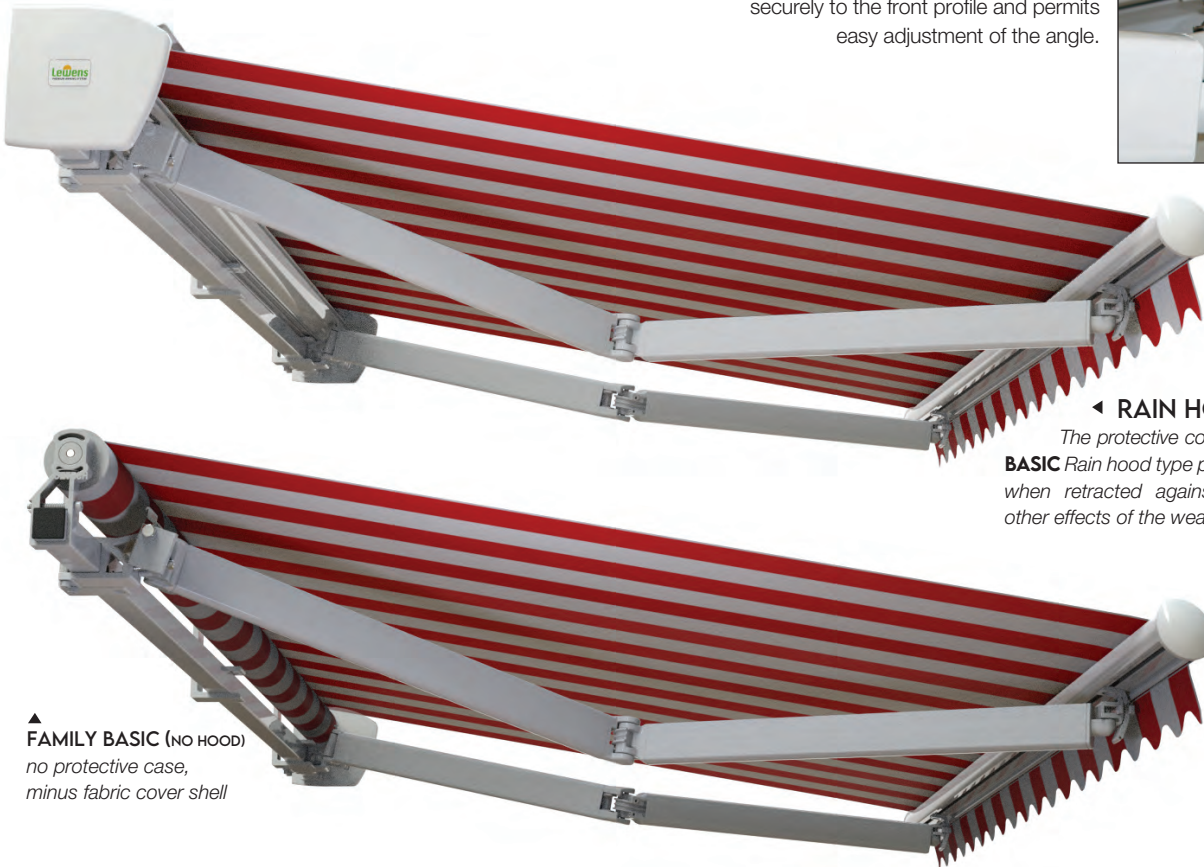

LIGHTING SYSTEM ►

As an Optional extra

The LED bar can be fitted with existing square bar

The front profile bracket connects the arms securely to the front profile and permits easy adjustment of the angle.

◀ RAIN HOOD

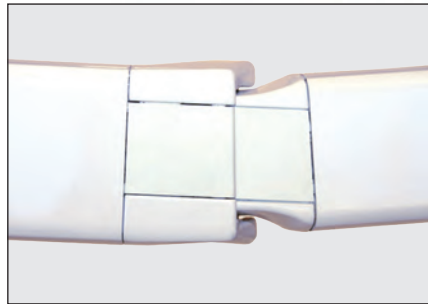

The protective cover on the **FAMILY BASIC** Rain hood type protects the awning when retracted against dust, rain and other effects of the weather.

▲ **FAMILY BASIC (NO HOOD)**
no protective case,
minus fabric cover shell

ARM BRACKET ▲

Arm bracket of high-strength aluminium alloy with support and high-impact screw, upper arm fork of forged aluminium.

SPRING TENSION ARM ▲

In the central hinged arm joints, a plastic sheath prevents soiling and corrosion of the double cable and extends its service life.

FABRIC COVER SHELL ▲

The fabric cover shell offers an elegant solution for concealing the fabric roller.

• System

The **FAMILY BASIC** is a sturdy, longlasting quality awning with:

- ▶ Front profile with double hollow chamber and integral rain gutter
